Introduction

It is said that 'you can only discover Lisbon by getting lost amongst its calcadas (paved streets), travessas (lanes), and escadinhas (staircases)'. This fantastic short break not only allows you to explore this multifaceted city with your own personal guide; it also takes you to Serra de Sintra, the playground of the wealthy during the Age of Discovery. The region's geographically strategic location has given rise to a city with a fascinating history just waiting to be discovered, and there is no better way to do this than on foot. Accompanied by the sweet smell of pastel da natas, the sound of Fado music, and the waves crashing along the coast while the cool breeze of the Atlantic wisps through your hair, you are sure to fall in love with this region of Portugal.

On this holiday you will spend two nights in both Lisbon and Sintra, allowing you plenty of time to absorb the local culture and sample the region's cuisine. Your walks will take you to the most westerly point of Europe - Cabo da Roca - through forests, and over rolling hills, to unveil spectacular palaces. You will even explore the historic streets of Lisbon accompanied by your own private tour guide.

Is this holiday for you?

This fabulous self-guided holiday is all about exploring the vibrant city of Lisbon and the wild Atlantic coast on foot and at your own pace. With the addition of your personal private tour guide in Lisbon on day 2, you are sure to discover much more of the city's special history and hidden gems compared with doing so on your own. Your Serra de Sintra walks will take you on well-established coastal paths, along promenades, and through woodland, walking for 4-5 hours a day with no more than around 400m of ascent in a day. If you love to combine sightseeing with walking, then this is the ideal short break for you.

Itinerary

DAY 1

Arrive in Portugal's majestic capital city, Lisbon.

Arrive at your hotel in the heart of Lisbon, a bustling city that overlooks the Rio Tejo, protected by its seven surrounding hills. Depending on your arrival time, you may wish to stretch your legs with a stroll along the riverside or out to one of the city's beaches. Another option is to enjoy a river cruise to experience this majestic city and its rolling hills from a different perspective. In the evening, there are plenty of restaurants from which to choose, as well as vibrant bars where you can enjoy a drink whilst listening to live traditional Fado music.

DAY 2

History comes to life with a private guided tour of Lisbon.

After a relaxing breakfast, at 10am you will meet your guide who will be eager to share the best of their city with you. Lisbon's strategic position at the mouth of the Rio Tejo with its slow-moving waters and surrounding mountains provided much needed protection from the ferocious Atlantic Ocean for Roman sailors. This natural harbour has provided great power to Lisbon throughout its history and was a catalyst for wealth during the Age of Discovery as explorers returned to the city with treasures from far corners of the globe, thus funding the extravagant palaces and monuments for which Lisbon is famous. Your guide will ensure you discover the most iconic districts of the city, including multicultural Mouraria (Moorish Quarter), nocturnal Barrio Alto, and Alfama - where fado melodies resonate through narrow maze-like streets. The advantage of having your own guide is that they will be on hand to really bring the history of this impressive city to life and share its hidden secrets.

DAY 3

Transfer to Sintra and discover the spectacular Pena Palace and botanical gardens.

Your day begins by taking the train to Sintra, your home for the next two nights. During the short journey of around 45 minutes you can watch the urban landscape melt away into the Serra de Sintra and the spectacular Pena Palace. After a quick stop at your hotel to drop off your luggage, it is time to discover this fantastic region with a hike up to the ancient Moorish castle. Your route will take you through the rich subtropical forest to emerge in immense granite boulder fields. Your walk continues up to the colourful Pena Palace, a true architectural fantasy of the 19th century that sits aloft Sintra's highest peak. You will have time to explore this photogenic palace's botanical gardens that hold treasures from across the globe and that are waiting for you to discover. The final stage of your walk brings you back to Sintra through Sao Pedro, a village filled with antique shops and pastel coloured houses. Depending on the timing of your visit, you may be able to experience the village's lively market that has been held on the second and fourth Sunday of each month since the 12th century. Returning to Sintra, you will have time to check in to your hotel and relax before enjoying dinner in one of the local restaurants. A visit to Sintra makes a popular day trip from Lisbon, and the advantage of staying overnight in this popular town is that when the day visitors return to Lisbon, you have the luxury of savouring a quieter time in this magical town as you wander the once bustling streets in peace before dinner.

DAY 4

Discover the 'end of the world' at Cabo da Roca and walk along the wild Atlantic coast.

Today you will reach Europe's most westerly point, Cabo de Roca. Your morning starts by taking the local bus to the coast and past Colares, a region famed for its fine wines. When dining this evening we recommend asking for the house wine with your evening meal, as it is likely to be from the Colares vineyards. Arriving at Cabo da Roca, there is plenty of time for you to appreciate the views out to the Atlantic and the sounds of the waves crashing against the bottom of the vertiginous cliffs. Your route will take you through multi-coloured fields and along the seafront to Praia Adraga Grande beach, regarded as one of Portugal's best beaches thanks to its stunning mix of clean golden sand enclosed by cliffs and jagged rocky outcrops. The cafe also makes for a good coffee stop after perhaps having a paddle in the sea before your return to Sintra.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. Joining Arrangements & Transfers

Your trip starts at your hotel in Lisbon. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport is Lisbon Airport, which is well-served with many departures from UK regional airports.

Lisbon airport is just 6 miles from the city centre and transport connections between the airport and the city are extremely good. It is possible to take the metro from Terminal 1 to the city centre with one change. The journey takes approximately 25 minutes and tickets can be purchased from ticket machines in the station. Tickets cost approx. €1.50 for a single journey or it is possible to purchase a daily ticket for €6. For more information visit <https://www.cp.pt/passageiros/en>

Another option is to take the bus to the city centre from outside the arrivals hall. Several bus lines stop at the airport arrivals terminal, taking you to different parts of the city. However, please note that the maximum baggage size allowed on these buses is 50x40x20cm. If your baggage exceeds this size, you must take the airport's shuttle buses (Aerobus and Airport Shuttle). For more information about city buses please visit <http://www.carris.pt/>. For more information about the Airport Shuttle please visit <https://www.visitlisboa.com/en/places/coimbra-airport-shuttle>.

If you have booked a private transfer with us you will make your way to the arrivals hall where you will find your driver holding a sign showing your name.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

The Portuguese are passionate about food. It is a reason for celebration, time with family and socialising with friends, and as is typical on the Med, evening meals are enjoyed late into the evenings with a glass of wine. Portugal's national obsession is Bacalhau, a dried salted cod which will feature heavily on menus alongside other delicious seafood. After all Portugal has almost 1800km of coastline. But it is not all just seafood as Portuguese cuisine is all about simple, fresh cooking with many meaty stews such as Cozido a Portuguesa which includes beef, pork and chicken served with fresh vegetables and usually accompanied by one of the countries fantastic wines.

And it's not just savoury dishes and wine the Portuguese are passionate about. The pastel da nata is not just a dessert but a constitution, served in almost every café. This delicious custard filled pastry topped with cinnamon is flaky, creamy and utterly delicious. Originally known as a Pasteis de Belem this delicious pastry is the creation of the Masteiro des Jernimos monks and you can still enjoy this delicious treat in the building next to the monastery where they have been sold since 1837.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During your trip, you will spend the first two nights at a 3-star hotel handily located in the heart of Lisbon, just a short walk from many shops and restaurants that you can enjoy.

You will then spend the second two nights of your trip at a beautiful historic family-run 2-star boutique hotel in Sintra, that has been in the Bernardo family for four generations and offers well-appointed rooms, a peaceful terrace, lounge area, bar and breakfast room.

Both hotels have been specially selected for their warm hospitality and excellent locations, and both are booked on a bed and breakfast basis in twin or double en-suite rooms.

During high season you may be booked into an alternative accommodation of a similar standard in the area.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 4 to 5 hours for consecutive days and it's always a good idea to spend some time walking in the footwear you are going to use on this holiday.

Climate

Lisbon and the surrounding area enjoy a Mediterranean climate with mild, rainy winters and hot sunny summers with temperatures averaging around 25 degrees in the summer months cooled by the breeze from the Atlantic. Late spring and early autumn provide warm days but some occasional showers too, perfect if you prefer not to walk in the heat.

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
