Introduction

As the UK's first UNESCO Geopark, the beauty of the land north of Ullapool in Scotland's North West Highlands cannot be exaggerated. It's a land that's home to iconic and distinctive mountains such as Suilven and Stac Pollaidh which rise proudly from the loch-strewn moorland. The coastline is just as spectacular, strewn with the shining white sandy beaches that Scotland is famous for interspersed with steep cliffs and sea-stacks. On this holiday we hike a mixture of hill, glen and coastal walks and take a day to cruise the tiny Summer Isles, enjoying every aspect that this landscape of outstanding natural beauty offers.

Is this holiday for you?

This holiday is suitable for fit and experienced hikers. We walk at a good pace and you can expect to be out for 6-8 hours a day. You will not always be on a path and the terrain underfoot can often be rough and boggy, including boulder fields and mountain tops, you will need to be confident hiking on uneven ground. Some of the daily walks will involve a mountain ascent of over 3000ft / 900m high. Daily distances will be typically up to 16km but may be longer occasionally. Daily hike details are available in the itinerary. The weather in Scotland can be unpredictable and at times can make activities more challenging. Please do bear this in mind when thinking about what trip to join. If our guides feel that you are not able to complete a scheduled hike they may ask you not to join in that day.

Itinerary

Version: WAC Wilderness Walking - Wilds of Assynt

DAY 1

Meet the group at Inverness train station. Transfer to the North-West-Highlands and a short walk in the afternoon.

After meeting in Inverness, we travel to the North-West Highlands, stopping on the way for a short walk that will take us past the impressive Rogie Falls where we can watch the cascade. Continuing on we follow a circular route that takes us through the forest to a high clearing with gorgeous views.

Meals: **D**

	Accommodation Guesthouse		Ascent 230M		Time 4 hrs walking		Distance 8KM
---	------------------------------------	---	-----------------------	---	------------------------------	--	------------------------

DAY 2

Walk up to the summit of Cul Mor, with stunning views out to the sea.

This distinctive mountain dominates the skyline and offers superb vistas from its lofty summit. We follow a good trail for the initial ascent before climbing quite steeply to the cairn which marks the high point to enjoy wide-reaching views across both mountains and sea.

Meals: **B L D**

	Accommodation Guesthouse		Ascent 730M		Time 6 hrs walking		Distance 14KM
---	------------------------------------	---	-----------------------	---	------------------------------	--	-------------------------

DAY 3

A relaxing cruise through the Summer Isles followed by an afternoon ascent of Stac Pollaidh.

Our day starts with a relaxing cruise through the Summer Isles, a beautiful archipelago with striking rock features. We'll stop for lunch at the wonderful Achnahaird Beach before making an afternoon ascent of Stac Pollaidh which is one of the best 'little mountains' in Scotland. It stands just 613m high and the hike will only take around 3 hours but the summit vista is pure wilderness and is an unforgettable view.

Meals: **B L D**

	Accommodation Guesthouse		Ascent 440M		Time 3 hrs walking		Distance 4KM
---	------------------------------------	---	-----------------------	---	------------------------------	--	------------------------

DAY 4

A fantastic full day out walking with an ascent of Suilven.

After a couple of fairly relaxing days, you should be ready for the challenge of hiking up Suilven. Although just 731m high, this is a remote mountain and the approach walk to the foot of the mountain takes around 2 hours. A steep climb lifts you onto its wide summit plateau where you will be rewarded by one of the most sensational views you will ever see. A long but fantastic day's walking.

Meals: **B L D**

	Accommodation Guesthouse		Ascent 910M		Time 7 - 8 hrs walking		Distance 22KM
---	------------------------------------	---	-----------------------	---	----------------------------------	--	-------------------------

DAY 5

Coastal Walks to The Old Man of Stoer and Achmelvich.

Today will be an easier day, after the exertions of climbing Suilven. The Old Man of Stoer is a sea-stack and provides a superb half-day coastal walk. We'll follow this with a visit to Achmelvich Beach, on a sunny day, you could be fooled into thinking this is the Caribbean as you walk on the white sand or paddle in turquoise waters. Dinner tonight is a lovely meal on a sailing boat. A very special meal in a spectacular location, and the perfect way to end the day.

For the 1 August & 29 September departure only: Please note that the yacht is not included on this day as it is not available at this time of year. Dinner at an alternative location will still be included.

Meals: **B L D**

	Accommodation Guesthouse		Ascent 150M		Time 4 hrs walking		Distance 8KM
---	------------------------------------	---	-----------------------	---	------------------------------	--	------------------------

DAY 6

Walk to the summit of Ben Mor Coigach (one of Scotland's best kept hill-walking secrets).

This rarely climbed hill is one of Scotland's best kept hill-walking secrets. Although just 743m high, our sea level start means that you will hike up every metre! The rocky ridges which link its tops are scree covered which can be tough going but the views from the summit out to the Summer Isles are simply glorious.

Meals: **B L D**

	Accommodation Guesthouse		Ascent 800M		Time 6 - 7 hrs walking		Distance 15KM
---	------------------------------------	---	-----------------------	---	----------------------------------	--	-------------------------

DAY 7

A walk in Easter Ross followed by a transfer back to Inverness train station.

On our final day, we will head south from Ullapool back towards Inverness. There are many options for walks and your guide will select a route which allows us to arrive back in Inverness for 1600 hours and the trip end.

Meals: **B L**

	Ascent 750M		Time 6 - 7 hrs walking		Distance 15KM
