Introduction

With fertile valleys and Roman ruins in the north and to the south the vast, sprawling red desert sands of Wadi Rum; Jordan boasts an incredibly diversity of highlights. Journeying through its heart to discover its rich cultural and natural highlights, we will engage with Jordan's people too. Starting with tranquil walks through the olive groves of Ajloun, we will visit local cooperatives before wandering through the colonnaded streets, temples and gateways of the Roman city of Jerash. After experiencing the peculiar sensation of floating in the Dead Sea and visiting the Crusader castle at Kerak, we can stretch our legs on one of the many trails in the Dana Biosphere Reserve; taking time to drink in the panoramic views down into the Great Rift Valley and perhaps spotting a desert fox or griffon vultures overhead. We whet our appetite for Petra with a visit to its lesser-known sibling of Little Petra. From here, we set off on a stunning walk along a quiet back trail that delivers us to one of the most remarkable monuments in Petra, hidden far away from the crowds. After a full exploration of the city, we have the option to return to experience the Siq and the Treasury by candlelight.

We then drive deep into the desert of Wadi Rum, once roamed by Lawrence of Arabia, busy harrying Ottoman forces. We stay in a comfortable Bedouin desert camp, our hosts descendants of the very same tribe that guided Lawrence. Drifting off to sleep in the profound darkness and stillness of the desert under a star-lit sky is an unforgettable experience. We also spend a little time at the Dead Sea resort of Aqaba, before returning to Amman where we can explore the city's citadel and atmospheric souks.

Is this holiday for you?

This nine-day itinerary is perfect for those seeking an active holiday to Jordan. There are a selection of leisurely day walks, which are ideal for exploring the highlights of Jordan at a relaxed and enjoyable pace. Day 5 is an exception, when we walk into Petra: this is a longer day of walking, but will be undertaken at a slow pace as we explore the atmospheric city ruins. There is opportunity to swim in both the Dead Sea and Red Sea, so confidence in the water will help to make the most of this time. The accommodation features a super variety of styles, ranging from comfortable tourist-class hotels and chalets to Bedouin fixed camps. These feature large, private tents with proper beds and there are shared facilities including solar-heated showers. Sitting around the campfire, listening to singing and storytelling, under a blanket of stars will undoubtedly be one of the highlights for many.

Joining Arrangements & Transfers

On the last day of the Land Only itinerary, there will be a single transfer back to Amman Airport.

Anyone may join the group transfers by prior arrangement. Travelling as a group or on public transport saves energy. If this is not practical, we can provide private transfers at an additional cost. Taxis are also available.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All breakfasts, 4 lunches and 4 dinners are included in the holiday price. On the days in towns and cities where there is a variety of options, the choice is yours. This means you will pay directly for a total of 3 lunches and 4 dinners. We recommend you budget £8 - 15 for each of these meals.

Food & Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

Breakfasts can vary a little with the accommodation, but typically consist of labaneh (thick sour creamy yoghurt), hummus, cheese, beans, eggs, olives, za'atar (thyme, sesame seeds, sumac and salt), tea and coffee. Lunch on some days may be in the form of a picnic (sandwiches, fresh vegetables, fruit and juice and tea) or a simple hot meal such as fresh tomato cooked with garlic, onion and olive oil. Dinner will again vary with the location, but we will aim to sample a variety of traditional Jordanian meals. Salad, rice, chicken, vegetables and yoghurt are usual dinner ingredients. In Wadi Rum, we'll get to try the Bedouin 'zarb', a meal of meat and vegetables cooked under hot sand. Complimentary water, biscuits, cakes and fruits will be offered on most days.

Accommodation

We will stay in an interesting variety of accommodations throughout this holiday.

In Amman, Wadi Musa and Aqaba, the group will stay in comfortable hotels. At Ajloun, we will stay in beautifully situated forest cabins, which are more akin to chalets. In Dana we will stay in a rustic guesthouse. All rooms are en suite.

At Little Petra and Wadi Rum we will stay in comfortable fixed camps, with spacious Bedouin tents with proper beds and shared bathrooms with hot showers. At the Bedouin camp there is also a cosy communal tent and open air seating areas we can gather round an open fire,

Accommodation is twin share. If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning to extend your holiday, additional nights are available on request.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader, supported by Bedouin guides in Wadi Rum.

Spending Money

Approximately £175-£200 (or the equivalent in US dollars or euros) should be allowed for miscellaneous expenses and the cost of your visa. You should carry your travel money in the form of cash and you should exchange the majority of this on the day of your arrival at the airport in Amman. Sterling, Euros and US dollars can easily be exchanged in Jordan. The unit of currency is the Jordanian Dinar (JD). You should also allow a total of approximately £70 for tips to your drivers, local guides and trek crew. The cost of the Petra visit is included in the trip price, although to visit Petra by candlelight requires a local payment of approximately 17JD, which is locally payable. If you are intending to buy expensive souvenirs, you should budget accordingly (credit cards can be useful in this respect). Also, if you expect to buy considerable quantities of drinks or other refreshments, you should allow for this.

Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and drivers. Tips do not form part of the wages of local staff but are seen as a personal thank you from group members. KE always pays local crews the best rates of pay, no matter what country they are in. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given. For your support crews, we recommend that you give a tip if you feel that their services have met your satisfaction. We recommend that tips be given from the group as a whole rather than individually and as a rough guide we suggest a contribution of £70 from each group member should provide an adequate 'pool' for tipping your crew.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status and so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

Climate

The best period for walking in Jordan is from late autumn through to early spring (October through to mid April). Outside of this period, it can be very hot with temperatures rising to 40°C in July and August. During October and April, the maximum daytime temperature is likely to be in the high twenties or low thirties, falling as low as 10°C at night. Heading into November, the temperatures begin to cool and by December/January, typical daytime maximum temperatures are around 12-15°C, falling as low as 5°C at night. In December and January it can even snow in Amman.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
