Introduction

Step into Italy's heel and discover the charms of Puglia on this one week self-guided cycling holiday. A region where rural roads take you pedalling through centuries-old olive groves to perfect hill-top villages and pristine beaches. As you ride along the country roads you will be captivated by the unique Puglian architecture with its curious mix trulli houses in Alberobello, soon replaced with the romantic Renaissance and Baroque grandeur of Lecce. Following the coast you will have time to relax on the warm sands of the Salento beaches and pedal in awe at the dramatic cliffs and coves which line the Adriatic as you meander towards Otranto.

Staying in a fantastic selection of 3* and 4* hotels on a B&B basis you will be able to pause and savour the flavours of Puglia along your way, whether that be snacking on Taralli with a glass of locally produced fine wines, feasting on tasty Orecchiette pasta or sampling olive oils produced from the olive groves you have cycled past with a lovely wedge of Pane de Altamura. The fresh flavours of Puglia will leave sweet memories long after you have departed that's for sure. Plus, staying in a trullo house in Alberobello will allow you the opportunity soak up this UNESCO site without the crowds- a unique experience.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

Italy has long been a foodie's dream, but discovering Puglia is a real treat for the taste buds. With its vast coastline providing endless supplies of delicious seafood waiting to be feasted on alongside the regions famous Pane de Altamura bread (perfect for mopping up any dish). But, the real treat is the vast amount of vegetarian dishes on offer in the region. The southern region has traditionally been a poor one built on agriculture, and this shows through in the fantastic hearty cuisine where vegetables and pasta are the star ingredients. You can look forward to snacking on Taralli, small rings made from crispy bread dough served with dipping oil; picnic on Apulian focaccia and Panzerotti, a deep-fried parcel of dough stuffed with mozzarella and tomato; and dining on Orecchiette pasta served with broccoli or Parmigiana di Melanzane (aubergine) or Parmigiana di Carciofi (artichoke). For those with a sweet tooth (like us here at KE) then you can enjoy the immensely moreish Pasticciotti, mainly found as you near Lecce, these little fried pastry puffs are served with sugar and almonds. Yum!

Accommodation

On this trip we have selected a fantastic range of family run 3* and 4* hotels for you, plus we have included a night in a traditional trullo house apartment so that you can really experience Puglian life. All the hotels have been chosen for their warm hospitality and facilities. All the hotels offer a great buffet breakfast for you to enjoy and some also have a pool or terrace, perfect for relaxing after a day in the saddle.

It is possible to arrange additional nights accommodation in Monopoli before your trip, or in Lecce at the end of your trip if you would prefer to explore this fantastic area a little more. Please speak to one of our sales team.

Bike Hire

Since 2011 reflective vests are mandatory in Italy as soon as cyclists leave a village/town and cycle during night time hours (half an hour before sunset until half an hour before sunrise). They are also mandatory when cycling in tunnels with traffic. Please pack a reflective vest or jacket.

Bikes are a hybrid bike and all come equipped with a pannier and handlebar bag for your daily essentials plus a milometer, a bike lock, pump and repair kit.

We strongly recommend you to bring your own helmet with you for the best comfort however, you can also hire a helmet to collect on your arrival for an additional €10.

We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

E-bikes are also available at an additional supplement of £240. We are also able to arrange tandem bikes, children's bikes, trailers and child seats. Please ask our sales team for details.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your ride. We ask that you please ensure your luggage is under 20kg and that your luggage is ready for collection each morning. You will also need a daypack to carry your daily essentials with you.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling 40 to 50km and up to 500m ascent a day on quiet country lanes and roads. We advise you to dust off your bike and head out on a few rides before your holiday to help make your holiday more enjoyable. We also offer e-bike upgrades for those seeking to make the journey more leisurely.

Climate

Puglia has a Mediterranean climate with hot summers when temperatures can reach up to 30 degrees Centigrade, and mild winters. The most enjoyable time to visit this region is in the spring and autumn months when temperatures are a little cooler (between 10 and 25 degrees Centigrade).

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](https://www.travelaware.gov.uk)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
