Introduction

Travelling through the quiet serenity of snow-covered landscapes is a truly rewarding experience and the snowshoes allow us to really get out into the mountains. Modern snowshoes are light and easy to use so it is possible to progress very quickly from easy trails to more challenging terrain, leading to high viewpoints and alpine summits! As we ascend the sun-drenched snow slopes above the tree-line, with breathtaking views of the Chamonix Aiguilles, the magic of snowshoe walking will become immediately obvious!

Returning to the valley each evening, our comfortable hotel base with heated swimming pool and all the home comforts, will provide a great place to rest and recuperate ahead of the next day's adventure.

Is this holiday for you?

This week of centre-based, guided snowshoeing is designed to appeal to regular mountain walkers wishing to learn snowshoe techniques as well as those with previous snow-shoeing experience. During the holiday we will cover a variety of ground from relatively easy snow covered trails to steeper mountain slopes. It should be noted that in some snow conditions snowshoeing can be quite energetic and you should have a good level of cardiovascular fitness before coming on this trip. The trip is suitable for novices and also those people with previous snowshoeing experience.

The itinerary will be flexible and during the week the guide will use their expertise and local knowledge to determine the best routes to take advantage of prevailing snow conditions and the abilities of the group. A suggested itinerary for the week is given, but may be subject to change. If snow conditions do not permit snow-shoeing on any of the routes, the group will follow an alternative winter hiking itinerary.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

The group will rendezvous at the Aiguille du Midi Hotel on the evening of day 1 of the trip itinerary. For clients arriving by air, the easiest way to get to Chamonix is to fly to Geneva Airport and make use of an airport transfer service. We recommend [mountaindropoffs.com](#).

Meal Plan

All meals apart from lunches are included in the trip price. You will need to purchase snacks for each day. These can be bought in Chamonix. We recommend an allowance of about €40 per day for lunches, snack food and water.

Food & Water

Our hotel provides excellent food which is varied and plentiful. Continental Breakfast includes a daily service of bread, freshly baked croissants, fruit, cereals, yoghurt, fruit juices and tea/coffee.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During this trip, the group will start and finish the trek at the comfortable Aiguille du Midi Hotel, in Chamonix. Offering stunning views of Mont Blanc and facilities. Aiguille du Midi Hotel is the perfect base for your snowshoeing week. The accommodation will be in twin rooms.

The Aiguille du Midi Hotel also has a large car park should you wish to drive to the start of this holiday.

Group Leader & Support Staff

The group will be lead by one or more 'Accompagnateur en Montagne' guides. On this trip we will take up to 8 clients. The number of guides employed will depend on the group size.

Altitude

This holiday involves going to moderately high altitude. During the course of your trip you will reach altitudes in excess of 2500 metres. Most people will have no difficulty with this level of altitude but before coming on the holiday, we recommend you read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

The holiday price includes all accommodation, transport, guiding and all meals apart from lunches. You should make an allowance for hill snacks and water, other drinks etc... Beer, wine and soft drinks are available every night. We estimate that approximately €200-€250 should cover typical personal spending requirements. There are cash point facilities in Chamonix. If you intend to purchase items of equipment you should budget accordingly (credit cards can be used in this respect).

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline. There is one night when you will not have access to your main bag.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel.

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Currency

The currency for part or all of this holiday is the Euro.

The unit of currency in Switzerland is the Swiss Franc.

Climate

The temperatures we can expect to encounter during the day will be in the range -10 to +15 degrees celcius/ 14 -59F, though it can feel much warmer than this in the reflected sunlight high on the slopes. In the evening the temperatures will drop. January to March is statistically the time of the lowest precipitation in the Alps but mountainous areas do generate their own weather systems so occasional rain, snow and even stormy weather cannot be ruled out.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
