Introduction

Sandwiched between Briancon and the Italian border, the remote Alpine region of Queyras offers exceptional trekking with a distinctly 'off-the-beaten-track' feel. Based very loosely on the Tour of Queyras circuit (GR58), this exciting new trekking holiday has been modified to include the very best hikes in the area. From a succession of charming refuges and gites, we climb around 1000 metres each day to reach the high ground, before continuing to such rocky summits as Rocca Bianca (3059m), Pain du Sucre (3208m) and Grand Glaiza (3293m). Throughout the holiday, there are fantastic views, north to the snow-capped Ecrins and Vanoise massifs and south to the dominating spire of Monte Viso (3841m). Seeking out the quietest areas, we can enjoy our picnic lunches in the company of marmots, chamois and golden eagles. The quality of the hiking in this hidden corner of the French Alps is a revelation!

Is this holiday for you?

This is a superb weeks walking holiday in a hidden corner of the Alps. The trip loosely follows the route of the GR58, the Tour of Queyras long distance walk, which itself has a number of variants. However, we also make every attempt to get away from the main route, to follow rocky ridges and to reach a number of 3000 metre peaks. We follow way-marked footpaths for most of the route, but also find ourselves on unmarked trails, loose scree and easy scrambling terrain. Almost every day we are faced with a considerable ascent (between 1000 and 1500 metres) from a valley base, to reach the upper slopes. This is a tough trek, with 6 long days - expect to be out for 8 to 10 hours per day, including stops.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

In some cases you may choose to take a ferry and/or train to your holiday start and end destination. Please see further information on [Travelling by Train](#).

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will [offset the carbon of your flight](#).

Included in the Land Only cost of the trip, we provide a single group transfer in each direction between Turin Airport and the group hotel in Briancon.

It is also possible to travel direct to Briancon on the train from London. Take the Eurostar train from London Saint Pancras to Paris Gare du Nord. Then, take the overnight (sleeper) train from Paris Gare d'Austerlitz to Briancon, which arrives at breakfast time. For information about train travel between the UK and Briancon, check out www.seat61.com

Contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

While staying in gites and the mountain refuge, all meals (breakfast, dinner and packed lunches) are included in the holiday price. In Briancon where there is a wide range of dining options, we have left the choice and budget for dinner to you and on these two nights evening meals are not included in the holiday price.

Food & Water

When in the towns and villages all tap water is drinkable. In mountain huts there is usually not a sustainable drinking water supply. Water in plastic bottles is brought in to the hut. All huts have a recycling point. If you have to purchase water in plastic bottles please buy the largest bottle you can so as to use less plastic. Please take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water if you can fill from a local stream. Bottled water is not provided. We do not encourage the purchasing of single use plastic bottles. Local authorities are working to find solutions to using plastic water bottles in huts. We monitor the situation carefully for updates.

At the hotel continental breakfasts are provided - cereals, fruit juice, tea and coffee, bread and a variety of spreads including jam, honey and Nutella, for example. Whilst staying at the gites and mountain refuges breakfast will be more simple, bread, butter, jam and sometimes cereal. Each day at breakfast, the tour leader will lay out the items that will make up the group's packed lunches - bread, cheese, sliced ham, tinned tuna, sausage, salad, fruit. For each day of the trip there will also be a couple of small high-sugar 'energy food' items provided for each group member. At each of the gites and at the mountain refuge, a full 3-course dinner will be served, usually a soup dish, followed by some wholesome local speciality and a desert.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

During this trip, the group will spend 2 nights at a small hotel in Briancon. The accommodation here is twin-sharing with en-suite facilities. Once on trek, we have 5 nights in gites or mountain huts. Accommodation for these 5 nights is generally in non-segregated dormitory style rooms with bunk beds and shared facilities.

Group Leader & Support Staff

The group will be accompanied by an experienced and qualified, English-speaking leader

Altitude

This holiday involves going to moderately high altitude. During the course of your trip you will reach altitudes in excess of 2500 metres. Most people will have no difficulty with this level of altitude but before coming on the holiday, we recommend you read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

150 euros will easily cover all personal expenses including the 2 evening meals in Briancon. There are cash point facilities in Briancon.

Baggage Allowance

For this holiday you should take one piece of luggage (maximum weight 15kg) and a daypack (of around 30 - 40 litres). Luggage with wheels is useful for this holiday. For international flights please check your baggage allowance with your airline. Your main bag will be transferred between overnight stops. It is not possible to ride with the baggage transfer vehicle.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel.

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a trekking trip getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. We would suggest that you adopt a weekly exercise regime leading up to your trip. Before departure, we suggest that you try to fit in a number of long walks in hilly country.

Climate

Generally, the temperatures that we can expect to encounter during the day will be reasonably warm, in the range 18 to 28 degrees centigrade. At night in the valleys we can expect the temperature to drop to between 10 and 15 degrees centigrade. The weather is usually stable at this time of year, but mountainous areas do generate their own weather systems and occasional rain and even stormy weather cannot be ruled out.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
