Introduction

In the remote north-western corner of India, the Himalayan region of Ladakh is a truly inspirational destination for a Schools trekking expedition. Following a beautiful high valley, this superb trekking route leads through a spectacular mountain world, coloured by green irrigated fields and the red of the monks' robes at the villages and monasteries en route. After acclimatising and sightseeing at the monasteries around the ancient regional capital of Leh and taking a jeep ride up to the Khardung La (5380m) you'll set off on a trek into the Markha Valley. Crossing the Ganda La to reach Skiu in the Markha Valley, you'll enter a region where the way of life has changed little for centuries. Gradually gaining height on a riverside trail, the group's highest camp is at 4860 metres on the Nimaling Plain in the realm of the snow leopard and impressive lammergeier or bearded vulture. Returning to the Indus Valley via the Kongmaru La (5290m) there are excellent views of nearby Kang Yatze (6400m) and northwards to the peaks on the Tibetan border. This popular itinerary offers a real taste of the unique culture and magical landscape of Ladakh.

Is this holiday for you?

For almost all of this trekking route we follow good trails, which are the main routes between the villages. Crossing the 2 high passes on the trek, we will encounter zig-zag paths on scree. This is not a particularly long or sustained trek and we have allowed 3 days and nights in Leh to help the group acclimatise to the altitude, before setting off. The holiday is made relatively challenging on account of 8 days of trekking at generally quite high altitude, including 2 high pass crossings at close to 5000 metres.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included in the holiday price from lunch on Day 1 to breakfast on Day 14.

Food & Water

Drinking Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

The food served during the trek is a mixture of local and Western, mostly purchased locally and cooked for us by highly trained trek cooks. The emphasis is on providing a high-carbohydrate and largely vegetarian diet, which we have found to be easily digestible at high altitude. In Delhi and in Leh, we take our meals in the group hotel or in nearby restaurants. All meals while on trek and while staying in hotels are included in the trip price.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

On arrival in Delhi and for one night after the trek, we stay at a comfortable hotel close to the airport. Being near the airport makes the whole travel experience more relaxing, whilst still allowing us to include a sightseeing city tour on the return to Delhi. In Leh, we have 4 nights in a good standard of hotel. Whilst on trek there are 7 nights camping. All accommodation is allocated on a twin sharing basis.

Internal flights

Deposits for internal flights

The cost of the internal flights between Delhi and Leh are included in the trip price. To allow us to pay for these flights as soon as the trip is guaranteed, a higher than normal deposit is required for this trip which includes the internal flight payment. Once these flights have been booked the deposit cannot be refunded if subsequently you cancel your booking. In the unlikely event that KE have to cancel the holiday for any reason, this deposit will be refunded in full.

Group Leader & Support Staff

The group will be accompanied by a KE Schools leader from the UK as well as an experienced English-speaking local leader throughout the trip. In addition, when on trek, the group will have the services of a full crew, including a local guide or sirdar and several Nepalese Sherpas employed by our Indian agent, as well as a team of pack-ponies and their handlers.

Altitude

This holiday involves going to very high altitude. During the course of your trip you will be spending at least one night above 4000 metres and/or trekking to 5000 metres or above. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). Unless you have previous experience of trekking above 4000 metres you should consult one of our trekking experts before embarking on this holiday. On this trip we carry a portable altitude chamber (PAC-bag) and/or bottled oxygen for use in emergencies.

Spending Money

Approximately £150 (or equivalent in Euros / US dollars etc.) changed into local currency, should be allowed for miscellaneous expenses, including porter and trek crew tips (allow approximately £60) and soft drinks, etc. (allow approximately £40). It is not necessary to purchase local currency (Indian Rupees) before you travel. We recommend taking your personal spending money in cash since you will be changing the majority of this into local currency on the day of arrival. Sterling, US dollars and Euros are readily exchanged in Delhi. Credit cards can be used to purchase goods in Delhi and in some places in Leh and are particularly useful for more expensive souvenirs. It is also possible to withdraw cash (rupees only) from cash machines in certain banks in Delhi using credit and debit cards.

Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and porters. They do not form part of their wages. KE always pays local crews the best rates of pay, no matter what country they are in and any tips received are seen as a personal thank you from group members. We advise our local teams that tips are a bonus and entirely dependent on the level of service given. We suggest that tips are given at the end of your trip and by the group as a whole rather than from individuals. Although the level of tip is at your discretion, we understand that you will want some guidance on this. As a rough guide we suggest a contribution from each group member of approximately £60 (or equivalent in Euros / US dollars etc.) changed into Indian rupees, should provide good tips when distributed among the crew.

Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft and sturdy duffel bag and a daypack. Your bag on trek will be carried by porters or pack animals. The packed weight of your trek bag whilst trekking should be no more than 15kg. Please note that the check-in baggage limit on all internal flights within India is now 15kg with a maximum cabin baggage limit of 7kg and you are responsible for any excess baggage fees that the airline may apply. From time to time cabin baggage (other than laptops, cameras and valuables) is not allowed on the Leh flight for security reasons. In this event, the limit for check-in baggage may be increased to 20kg at the discretion of the check-in staff. It is possible to leave travel clothes and any other items not required on trek at the group hotel.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (see *Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Visa India

Most nationalities, including travellers from the UK, the USA and many European countries can apply for their Indian Visa online through the **E-Visa Application** process. You must make your application at least four days prior to departure. Please download the detailed information document for details of how to apply for your visa: [Visa India PDF](#)

Sikkim

If you are joining one of our Sikkim Beneath Kangchenjunga (SIK) groups, we will ask you to complete a Sikkim Permit form approximately 20 days before you travel. You will need your Indian Visa details for this form. A 30-day E-Tourist Visa can be applied for within 30 days of travel and will usually be processed within a couple of days. As an alternative you can apply for a 1-Year E-Tourist Visa within 180 days of travel. DO NOT MENTION SIKKIM in 'Places to be visited' when you make your application.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. On holidays to more remote areas you should also have a dentist check up. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. In addition you should check whether any specific vaccinations are needed to the regions that you are travelling to. A good online resource is [Travel Health Pro](#).

Malaria

Malarial prophylaxis is not usually required for trips in the mountains, however if you are visiting rural and remote low lying areas then they might be necessary.

Dengue Fever

Dengue fever is a known risk in places visited. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you [take precautions to avoid mosquito bites](#).

Zika Virus

Zika virus has been confirmed as active in this country. It is a tropical viral disease spread by daytime biting mosquitoes. There is currently no vaccine or prophylaxis available and therefore the best form of prevention is to avoid being bitten. We recommend you take the usual precautions to avoid mosquito bites. The mosquitoes that transmit ZIKV are unlikely to be found above 2,000m altitude. For more information, visit the website of the National Travel Network and Centre (NaTHNaC) at <https://travelhealthpro.org.uk>.

Severe Allergies

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Currency

The currency of India is the Indian Rupee.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on a trekking trip getting some additional exercise. The fitter you are, after all, the more enjoyable you will find the experience. For this trip you need to be aerobically fit and also comfortable with walking up to 7 or even 8 hours, sometimes on consecutive days. We would suggest that you adopt a weekly exercise regime leading up to your trip. Regular hiking in hill country is the best training but running and swimming are also good for developing cardio vascular fitness and stamina. Before departure, we suggest that you try to fit in a number of long walks in hilly country.

Climate

During July the temperature in Delhi will be hot (35°C) and humid. On the high plateau of Ladakh, the maximum daytime temperature low down on our trek (and at Leh) will be around 15°C, with night-time lows around 10°C. At our highest camps, the night-time temperature may fall as low as minus 10°C. At high altitude the sun has a very strong effect, however, and it will feel hotter than the indicated temperatures. Protection from the sun including the use of a sun hat and sun cream is very important. Ladakh is not affected by the monsoon and we can usually expect stable, weather. However mountains do generate their own weather systems and some rain or snowfall cannot be ruled out.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
