Introduction

Travel from Mexico City to Yucatan on this active discovery of Mexico's colourful culture, vibrant cuisine and stunning natural landscapes; from temples to tacos, sacred cenotes and smoking volcanic peaks; this magical Mayan Adventure will satisfy your wanderlust as well as your taste buds!

Mexico's bustling capital is the obvious starting point for our immersion into the cultures and history of this fascinating part of the world. This part of Mesoamerica being a cradle for ancient civilisations from the Olmec, Maya, Aztecs and on to the later Spanish Colonisers.

Here we experience not only stunning ancient sites, such as the colossal ruins of Teotihuacan, but also begin our journey into the world of Mexican Cuisine, a theme strongly (and tastily) woven throughout this itinerary. Heading to the mountains we visit the delightful town of Puebla and hike the Paso de Cortes for impressive views of the nearby volcanos (Iztaccihuatl and Popocatepetl) before sampling the region's specialities in a renowned family-run eatery.

Next up is another UNESCO World Heritage city of Oaxaca, where we marvel at the colourful architecture, before heading back in to the hills to visit the Pueblos Mancomunados - a unique community-led ecotourism project in the Sierra Norte Mountains.

Our journey then takes us, via a splash in the Pacific Ocean at Playa Cangrejo, deep into the Chiapas region and a boat trip down the impressive Sumidero Canyon. Winding up into the highlands we reach the town of San Cristobal, famed for its temperate climate and colonial architecture. We delve further into nature with a day's walk around the Lagunas de Montebello, close to the border with Guatemala, before heading north on to Campeche and Yucatan.

The final leg of our journey has us travelling through one of the most important regions of world history, densely packed with ruins of ancient cities, temples, strategic ports and sacred sites. We dive in to this history exploring the different types of Mayan architecture from 'Puuc Style', advanced astronomical and geometric designs, and intricate carvings and hieroglyphs. We visit Palenque, Edzna, Uxmal and one of the '7 New Wonders of the World' at Chichen Itza. Interweaved with these sites we visit the towns of Campeche and Merida, this time sampling the distinct but equally delicious 'Comida Yucatan' with another hand-picked traditional food experience.

Our journey ends at the beach resort of Cancun, where there is opportunity to extend your holiday for some well-earned relaxation in either Cancun or Playa del Carmen.

Is this holiday for you?

Whilst this holiday is not overly demanding from a hiking or trekking perspective it is a fast-paced and adventure packed itinerary, making the most of our 16 days in Mexico. Inevitably when covering this distance there will be some longer driving days as we move from one region to another, these are undertaken on a comfortable, air-conditioned, Mercedes Sprinter minibus or similar. The accommodation level on this holiday is of a good standard, all in close proximity to the sites we are visiting and many of the hotels also having swimming pools.

There are 3 specific walking days, undertaken at moderate and high altitudes of up to 3900m. The focus of these days are the sights, views and communities we travel through rather than their difficulty. The design of the itinerary allows these walks to be opted out of if required. We also have guided walking tours of the many sites and cities visited on this itinerary, so expect plenty of time on your feet!

Meal Plan

All breakfasts and 3 dinners are included in the holiday price. All lunches and most dinners, where you will have opportunity to select from local restaurants or eat in your hotel, are not included. You should budget US\$10 - \$20 per meal for these non-included meals.

Food & Water

It is not recommended to drink untreated water from the taps. If you are on a trekking or cycling holiday, water is supplied to fill up your individual bottles. This will be boiled, filtered or provided in large jerry cans or 5 litre bottles. Additionally you should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water when in towns or where water is not supplied. We do not encourage the purchasing of single use plastic bottles.

Mexican food is a cuisine that is beloved worldwide for its bold and complex flavours, vibrant colours, and diverse range of dishes. Some of the most popular Mexican dishes include tacos, burritos, enchiladas, and tamales, which are all made with a variety of fresh and spicy ingredients such as chillies, tomatoes, coriander, and cumin. Mexican food also heavily features staples like rice, beans, and tortillas, which are often used as a base for many of the dishes. Whether you're looking for something savoury, spicy, or sweet, Mexican Cuisine has something to offer for every palate.

Such an important part of Mexican Culture, our itinerary explores the history and tastes of Mexican food with included meals in hand-picked traditional restaurants in Mexico City, Puebla and Merida. As well as this, there are numerous other opportunities to immerse yourself in the cuisine as we travel through regions famed for local delicacies and fresh, local produce.

Accommodation

All nights on this holiday are in good quality hotels, 7 of which have swimming pools. The hotels have been selected for their central locations when in cities - usually situated in the historic centres. When visiting the archeological sites such as Palenque, Uxmal and Chichen Itza we stay in selected hotels in close proximity to the sites, often allowing early access to the sites before most visitors arrive from the larger cities and touristic areas.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single rooms are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

Group Leader & Support Staff

The group will be accompanied by a professional and qualified tour leader.

Altitude

This holiday involves going to high altitude. During the course of your trip you will reach altitudes in excess of 3500 metres. This is not something that you should worry about; the human body is quite capable of adapting to a very wide range of altitudes, but it is important that we follow some simple rules in order to acclimatise successfully. Before coming on this holiday you should read the advice on [trekking at high altitude](#). You can also talk to one of our trekking experts if you have any concerns about altitude.

Spending Money

In addition to your budget allowance for non-included meals, we estimate that US\$150-300 will be sufficient to cover your requirements including incidental expenses such as tips for drivers, local guides and helpers. There is no need to purchase local currency (Pesos) prior to travelling. It is possible to withdraw your money in local currency from ATMs in Mexico City and all major towns and most restaurants in Mexico City will accept credit cards. If you are bringing your travel money with you we recommend you bring it in the form of US dollars in cash as this provides for the easiest exchange.

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your tour leader and local team. Tipping is entirely voluntary and should be dependent on good service. We advise you to tip as a group. For full groups we advise around \$40-50 per person total and have a available some smaller denomination pesos to tip for meals and other services.

Beat the Jet Lag

Our holidays are normally designed with minimal 'down time' at the start of the trip, but having a day or two at the beginning will have the additional benefit of allowing you time to get over the stress of a long journey or travelling across time zones, leaving you refreshed and ready for your holiday. We can easily arrange for you to have additional nights and airport transfers.

Baggage Allowance

There is no restriction on the weight of your luggage other than that imposed by your airline. A soft bag with wheels or a trek bag is ideal for this holiday, in addition to a small day pack for the walks where you will need to carry personal items such as clothing, food and water.

Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

General Information

Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

The fee is USD\$21 and you should apply for it at <https://esta.cbp.dhs.gov/esta/>. With the ESTA complete, the majority of British Citizen passport holders can enter the US under the Visa Waiver Programme, VWP. You will be required to have a passport with an integrated chip. Note that if you have travelled to Cuba, Iran, Syria or North Korea since March 2011* you will have to apply for a visa rather than the Visa Waiver Programme (* a full and up to date list of countries can be found on the US government website [here](#).)

IMPORTANT INFORMATION FOR THOSE TRANSITING THROUGH CANADA

All citizens (except for USA citizens) will require an eTA (Electronic Travel Authorisation), and you must get this before boarding any Canada-bound aircraft or ship, or entering on a land border. The fee is CAD\$7 and you should apply for it at <http://www.cic.gc.ca/english/visit/eta-start.asp>

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

Currency

The unit of currency in Mexico is the Peso.

Preparing for your Holiday

It makes a lot of sense to spend some time before coming on an adventure holiday by getting some additional exercise. The fitter you are, the more enjoyable you will find the experience. Regular hiking in hill country is the best preparation but running, cycling and swimming are also good.

Climate

The climate in southern Mexico and the Yucatan Peninsula is predominantly tropical, with high temperatures and humidity year-round. Mexico City, Puebla, and Oaxaca experience a subtropical highland climate, which means they have mild temperatures with dry and sunny winters, and rainy summers. Chiapas, on the other hand, has a tropical climate with high humidity and frequent rain, particularly from May to October. The Yucatan Peninsula has a hot and humid tropical climate, with high temperatures all year round and a distinct rainy season from June to October.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
