# Introduction

The magnificent Sahara with its Lawrence of Arabia desert beauty, offers an unforgettable Moroccan region which is perfect for a very unique trekking holiday. Home to snaking wadis, dramatic plateaus, tamarisk bushes, acacia trees, hidden villages and beautiful sweeping dunes, the Sahara Desert offers that rare off the beaten track adventure. After experiencing a traditional Berber camp you'll follow remote walking trails taking you deep into the heart of the desert. Here you'll be immersed in a rich variety of colourful landscapes from dramatic wadis to magnificent dunes complete with sweeping crests. At night you'll sleep under star-filled Saharan skies, whilst each morning you'll wake to a rich red Saharan sunrise. From the Draa River up to the great dunes of Zahar, this is a very special trekking holiday through an enchanting landscape. The holiday finishes in Marrakech, Morocco's most magical city.

A Genuine Small Group Experience - The Secret of Our Success in morocco

We are proud to say that this holiday in Morocco is limited to a maximum group size of 12, ensuring we leave only our footprints on the trails whilst enjoying a genuine small group adventure. We've been taking our clients walking, trekking and mountaineering for over thirty years which means we know the ingredients of a good guide and successful group holiday. Those who are new to desert trekking will take particular comfort in the presence of our experienced Moroccan guides, who we believe are the best in the business. Our Edge of the Sahara Trek remains a best selling holiday due to our fantastic team.

## Is this holiday for you?

During this excellent trekking holiday, each day consists of walking for approximately 6 -7 hours over a variety of contrasting desert terrain which includes rugged trails and soft desert sand. We are joined with a trek team for the fully-supported wild camping nights in the desert, which is a real highlight of the holiday. All our camping and personal equipment is carried by the camels so it is only necessary to carry a small daypack with daily essentials. Daytime temperatures in the desert are pleasant therefore the walking should be comfortable.

# Extensions

When booking your holiday, you will be able to 'add an extension option'. Once we have received your booking we will contact you to discuss additional services required for the extension and to take any additional deposit.

## Essaouira Riad and Atlantic Coast

Friendly Essaouira provides a beautiful base for this colourful Atlantic Coast extension which offers a fantastic start or end to our holidays in Morocco. Described as the prettiest town in the country, the UNESCO port and medina are a riot of colour and activity. To ensure a relaxing time in Essaouira we take care of private return transfers and riad accommodation for 3 nights at the comfortable Riad Maison du Sud, situated within the ramparts of the medina and just a few minutes walk from the sea. Redecorated in Moorish style, it has a snug sitting room and sunny roof terrace with views of the Mellah and the Atlantic Ocean. Essaouira has plenty of things to do and so we leave your days free for you to enjoy at leisure. This extension starts and ends in Marrakech.

4 days from  
**US\$520** per person

### TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at the hotel in Marrakech.

Airport transfers are provided for all clients on Day 1 and Day 8.

Hotel contact details and an emergency number will be provided with your booking confirmation.

## Meal Plan

All meals are included in the holiday price from dinner on day 1 to breakfast on day 8.

## Food & Water

It is not recommended to drink untreated water from the taps. You should take purification tablets or a filter bottle (such as a [Water-To-Go bottle](#)) to treat your water. We do not encourage the purchasing of single use plastic bottles.

All food whilst on trek is purchased locally and cooked for us by our excellent trek cooks. KE groups are always surprised at what the cook team conjure up! Breakfasts are continental style, with tea and coffee, muesli, bread, jam, honey and soft cheese.

A morning snack is also provided and this usually consists of a type of Moroccan 'trail mix' with dried figs and dates, peanuts, sugar coated peanuts and other nuts.

Lunch usually starts with the Berber speciality of mint tea, followed by a buffet of rice, pasta or couscous, with a freshly prepared salad - onion, tomatoes, green peppers, grated carrot, green-beans, with tinned sweetcorn or peas added. Hard and soft cheeses, tinned fish, olives, biscuits and bread are also on the lunchtime menu.

Dinner starts off with soup and bread. The main course is usually rice, pasta, couscous, spaghetti or chips, with a vegetable stew (or tagine) consisting of some of the following - onion, potato, carrot, green pepper, zucchini, turnip, parsnip, green beans, and peas. There will be some meat (usually chicken, lamb or beef), however meat is not prominent in the menu. All dishes come with traditional sauces which are rarely (spicy) hot. To round off dinner, there is the usual range of hot drinks.

## Accommodation

During this trip the group will spend 2 nights at a tourist class hotel in Marrakech. While there are a range of high-end hotels in Marrakech, we try to strike the right balance of a comfortable and conveniently located base while maintaining a really good value holiday.

In Ouled Driss for 2 nights, we will be staying at a fixed Berber camp with four people per room. These are mixed female and male dormitories. The camp has showers and a sheltered comfortable seating area where we will enjoy dinner.

Whilst on trek in the Sahara desert there will be a total of 3 nights wild camping. This camping is fully supported with all baggage being carried by camels, as well as tents, a mess tent and a toilet tent. You will have a team of staff to look after you including a cook. A mattress is provided, although some people like to bring their own thermarest as well. You will need a sleeping bag. Sleeping bags are available to hire, please contact the KE office to arrange this.

If you are travelling by yourself, you will be paired up with another single client of the same sex. Single hotel rooms and/or single tents are available for a supplementary cost for all nights except the 2 in Ouled Driss. If you are planning on extending your holiday additional nights at the group hotel or in a range of different hotels and Riad's in Marrakech are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. The group will also have the support of a full trek crew including cook, baggage animals (camels) and their handlers.

## Spending Money

Approximately £100 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these.

You cannot usually purchase Moroccan Dirhams outside the country. You can withdraw money in local currency from ATM's on arrival at the airport in arrivals or in Marrakech. You can choose to take your money in pounds sterling, dollars or euros, and you will be able to exchange it at the airport. Credit cards are useful and it is a good idea to carry one in case of emergency.

## Guidance on Tipping

Tips are the accepted way of saying 'thank you' to your local guides and porters. They do not form part of their wages and any tips they receive are seen as a personal thank you from group members. For our part, we advise local teams that tips are not a duty or a prerequisite but are a bonus and entirely dependent on the service that was given.

This is your 'thank-you' to the crew and the final amount should be decided by the group. We estimate that approximately £45 per group member should provide an appropriate level of tips. However, for the leader, we leave the tipping amount totally at your own discretion.

## Baggage Allowance

For this holiday you should take one piece of luggage, which should be a soft duffel bag, and a daypack. Your main baggage whilst trekking will be carried by pack animals and the packed weight of it should be no more than 15kg. It is possible to leave clothes or other items not required on trek at the hotel in Marrakech. You may wish to take a foldaway bag for this purpose.

For international flights please check your baggage allowance with your airline.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

---

## Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

### Visa Morocco

UK and USA passport holders do not require a visa for short stays.

## Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

## VACCINATIONS

You should contact your doctor or travel clinic to check whether you require any specific vaccinations or other preventive measures. You should be up to date with routine courses and boosters as recommended in the UK e.g. diphtheria-tetanus-polio and measles-mumps-rubella, along with hepatitis A and typhoid. A good online resource is [Travel Health Pro](#).

## Currency

The unit of currency in Morocco is the Moroccan Dirham.

## Climate

It is warm in the desert during the day even in the winter months of November through to April. At this time we can expect daytime temperatures to be a pleasant 22 - 28°C, rising to 30°C or more around mid-day. In the evening the temperature will drop to an average of 5 - 10°C but can reach lower than this overnight. The evenings and nights can be chilly and are a dramatic change from the daytime temperatures. Rain is rare in the desert but not unheard of and short-lived storms bringing rain can occur.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Maps

### EWP maps

Maps for this region are notoriously difficult to come by. The publisher EWP does make a series covering various regions of the Atlas and adjacent to the Atlas at 1:160,000. These maps are generally based on Russian military maps with all Cyrillic text replaced by Latin alphabet.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.

# Equipment Information

---

## Equipment List

The following checklist should help you with your packing. As a general rule, you should always try to keep the weight of your equipment to a minimum.
