Introduction

Rice fields, wetlands teeming with wildlife, and Roman ruins, not what you might think of when you think of the Costa Blanca, but it is time to rediscover this magnificent region. Cycle from Alicante to Valencia on this one week self-guided holiday and you will soon discover there is much more to Spain's white coast than sun, sand and Benidorm. Greeks, Romans and Arabs have all left their mark on this region whether it be the ancient ruins, imposing defensive castles, tasty cuisine or the annual festivals. We have specially designed this trip to showcase the hidden gems of the Costa Blanca to discover the region's rich history, and utilise the great local trains to avoid larger ascents.

Cycling up to 50 km a day you will have plenty of time to discover the colourful houses of Villajoyosa, sample the produce of the wineries in Xalo and watch the multitude of wildlife in the Marjal de Oliva-Pego and Albufera natural parks, not to mention the plentiful opportunities to take a dip in the Mediterranean. Plus, staying in a fantastic selection of 3* and 4* accommodation on a B&B basis you can be sure of a warm welcome at the end of each day. As your week in the saddle comes to a close you will arrive in Valencia for a taste of city life. We recommend adding additional nights in Valencia so you can experience all this fantastic city has to offer.

Is this holiday for you?

If you love to rediscover an area on two wheels and experience all a region has to offer from its bustling cities to its sleepy villages then this is the holiday for you. Cycling an average of 50 km a day on quiet roads, greenways and cycle paths your routes will take you along the coast with plenty of time to enjoy its many inviting beaches as well as to the peace of the mountain villages for spectacular views. At the end of each day you can enjoy the comfort of a great selection of 3* and 4* accommodation, and on a B&B basis we have ensured you have the flexibility to choose from the many restaurants the region has to offer. We have even designed the rides to utilise the train on two days to avoid any busy sections and steep ascents so you can focus on enjoying the journey.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

The Mediterranean coast is characterised by its abundant vegetables and top quality fish dishes. This is no different on the Costa Blanca, with its 218km stretch of coastline it is full of delicious and unique cuisine, not to mention wonderful white wines. The people of Valencia know how to make wonders with a humble grain of rice, after all the city is surrounded by fields of it. It is no wonder the region is the birth place of Spain's famous paella though it is not the only starring rice dish in the region; Arroz al horno baked in a clay pot with meat and the crusted rice which is characterised by its baked egg on top are also delicious. Mojama is the dish to try whilst in Alicante, a typical tapas dish of the city made with salted Bluefin tuna served with bread and olive oil. As you make your way north through the region you look forward to enjoying the best fried seafood in Javea, thanks to its freshness and quality; and delicious red shrimp in Denia, known for their vibrant red colour. As you make your way inland meat takes over the menu with hearty dishes such as Olleta a popular choice, a stew made with beans, bacon and morcilla (blood sausage similar to black pudding) and cured veal. One of the many dishes referred to as 'platos de cuchara' translating to dishes with a spoon. These popular dishes were born out of necessity in the region when the poor needed to ensure nothing was wasted and leftovers were added to a pot with stock to make the next tasty dish. For those with a sweet tooth, be sure to stop in Villajoyosa to sample the chocolates and pastries, known to be the best in Spain.

Of course all of these fantastic dishes need something equally delicious to wash them down. The grape of Vinalopo is grown in the many vineyards you will cycle with and produces the Vinos de Alicante. What is better than enjoying a wine from the region you have cycled through?

All of the accommodations offer a great buffet breakfast to fuel your rides each day and some may be able to offer picnic lunches on request too.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for regular leisure cyclists as the itinerary does include one steep climb on day 5. You should be comfortable with cycling 40-50 km a day on rural roads, side roads and cycle paths. It is always sensible to get some additional exercise before going on an active holiday and we advise you to dust off your bike and head out on a few rides before your holiday. After all, the fitter you are the more enjoyable your cycling will be.

Climate

The Costa Blanca has a Mediterranean climate, characterised by lots of sunshine (3000 hours each year - that's about 325 days of sunshine). Sea breezes help to moderate the temperatures during the hotter months when temperatures can reach up to 26 degrees in the summer. The spring and autumn months provide cooler cycling conditions with the odd day of rain too.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](https://www.gov.uk/travelaware)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
