Introduction

The largest of the Dodecanese Islands, the sun-kissed island of Rhodes is steeped in history and smiled upon by Helios, the sun god of Greek legend. It is said that the island was named for the nymph Rodon, who was gifted the island from Helios. Helios was so worshipped here that the triumvirate city-states of Lindos, Kameiros and Ialysos are also named for his grandsons. On this one-week self-guided cycling holiday, you can bask not only in the warmth of Helios's blessings, but also in that of the authentic Greek hospitality at each of the small family-run guesthouses that are waiting to welcome you.

Exploring on two wheels, you can discover the contrasting landscapes of this beloved island from its endless beaches and sparkling turquoise coves to the peaceful and green interior, and uncover relics of Rhodian history spanning millennia. Staying two nights at each location of Kalavarda on the west coast, Rhodes Town at the north and Archangelos on the east of the island, you have the opportunity to settle in and enjoy your holiday at your own pace. Your holiday ends with a final night in Kalavarda for another chance of sumptuous sunset views before you bid farewell to this charming sun-kissed isle.

Is this holiday for you?

If you love to explore on two wheels and delve beyond the main tourist trail into the true heart of a destination, this holiday will tick the boxes for you. Over the course of the week you will get a taste of life in traditional villages, and discover picturesque beaches and bays with many opportunities for a refreshing dip in the sea.

You will cycle an average of 40km a day, with ascents of up to 500m with rides along the coast and into the mountainous interior of the island. Most of the cycling is on tarmacked tracks, with some short sections on unpaved roads. In and around Rhodes town, you should also be prepared to share the road with town traffic. E-bike upgrades are also available if you would like the extra pedal power.

Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts and ends at Rhodes Airport. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you. For this trip we have included a return transfer for you from Rhodes Airport which offers many departures from regional UK airports.

Please ensure you inform our customer sales and support team as early as possible of your flight times so that we can arrange your transfers for you.

It is also possible to travel by ferry to Rhodes from various Greek ports, potentially making for an extended island-hopping holiday. For example, from Piraeus (Athens), the direct overnight journey can take between 13 hours and 23 hours. The following website is useful for further schedule information: <https://www.ferryhopper.com/en/ferry-timetables/greece/rhodes>

If you are planning to arrive to Rhodes by ferry, the arrival and departure transfers can be arranged from/to the port instead of the airport. There would be a supplementary cost for this service - please contact our Sales team for a quote.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday. We have also included one dinner in Kalavarda on day 2 of the itinerary for you to experience the warm hospitality of your welcoming hosts.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

The abundant crops produced on the fertile island of Rhodes makes for a very healthy Mediterranean diet. You will find plentiful fresh seasonal vegetables and fruits alongside staples of lamb and seafood; the fresh and flavoursome produce are typically cooked simply or served raw to allow the ingredients to sing.

The traditional Greek mezedes are a great way to sample a variety of appetizer-sized dishes - expect salads, stuffed vine leaves, dips, pulses and cheeses to feature universally. Meat dishes like souvlaki and gyros will keep the carnivores happy, but equally vegetarians will also be well-catered for.

You can enjoy respectable wines produced either locally on the island or from the mainland; these are usually served in full, half- or quarter-litre carafes.

There are many opportunities for purchasing picnic lunches in the villages, and to eat out for dinner. Shops are open daily, except Sundays, from early morning to the late evening.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

For this holiday we have chosen to use small family-run guesthouses in the villages of Kalavarda and Archangelos, and a historic hotel in the old town of Rhodes. All accommodations have been selected for their authenticity in showcasing the traditions of the local area.

While the guesthouses are simple, you will have comfortable double or twin rooms with private bathrooms, and your welcoming hosts will make you feel like one of the family, with personal touches like homemade items at your breakfast buffet. Air conditioning at these guesthouses may be at a small additional charge, payable directly. Your stay at these locations will support small businesses and benefit the local economy.

In the medieval city of Rhodes, you will usually stay at a historic hotel within the walls of the UNESCO-listed city, full of cosy character and with centuries of history contained within its stone walls. Rooms here are on a double or twin basis, with modern comforts such as air conditioning, WiFi and private bathrooms.

Accommodations can be subject to change depending on availability. During high season you may be booked into an alternative accommodation of a similar standard in the area.

Bike Hire

Bikes are hybrid-style with 24 gears and come equipped with a pannier for your daily essentials plus lights, lock, puncture repair kit and bottle holder. Your bike will be delivered to your hotel in the morning of Day 2 of your holiday. We will reserve the appropriate size of bike for you based on your height.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

Upgrade to an E-bike

If you are looking for a bit of extra support whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £75. Just request this upgrade option with our sales team at the time of booking.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your ride. We ask that you please ensure your luggage is under 20KG and that your luggage is ready for collection in the morning of changing hotels. You will also need a daypack to carry your daily essentials with you.

General Information

Passport & Visas

Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents including vaccinations and health certificates (*see Health & Vaccinations below*), **and visas for your holiday.** Please ensure that you check the [FCDO](#) for the latest advice for **each country visited** before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for regular leisure cyclists as the routes do contain some slightly hillier terrain. You should be comfortable with cycling 40-50 km a day on rural roads, side roads and cycle paths. It is always sensible to get some additional exercise before going on an active holiday and we advise you to dust off your bike and head out on a few rides before your holiday. After all, the fitter you are the more enjoyable your cycling will be.

Climate

With more than 3000 hours of sunshine per year, Rhodes belongs to the sunniest areas of Europe. A Mediterranean climate brings hot dry summers and mild winters, with little rainfall from mid-May to mid-September. For this active holiday we avoid the hottest period of the year, July & August, when daytime temperatures can reach as high as 40 degrees Celsius. Average daytime temperatures in the spring months typically range between 17-20 C with highs of up to around 27 C; while the latter part of the year the autumn temperatures are slightly warmer, around 21-24 C. The sea water has a pleasant temperature for swimming up to the end of November.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Books

The Greek Islands - Lawrence Durrell

Wild Abandon: A Journey to the Deserted Place of the Dodecanese - Jennifer Barclay

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
