Introduction

Renowned as one of the most beautiful cycle ways in Germany, the Elbe Cycle Path reveals a delightful blend of stunning architecture, charming riverside towns and spectacular natural landscapes. On this one week self-guided cycling holiday you will stay two nights in the historic city of Prague in the Czech Republic, before commencing your cycle journey to Dresden, one of the most beautiful cities in Germany and known as the Florence of the North. Pedalling at a leisurely pace, you will have plenty of time to immerse yourself into the rich history and culture of the towns and cities lining the Elbe, discover verdant landscapes as you cycle through vineyards and green mountains with rocky cliffs, and savour locally produced wines and beers and indulge in hearty culinary treats.

The Elbe Cycle Route follows the course of the River Elbe whose source originates in the Czech Republic and culminates at the North Sea, and is the third-longest river in Western Europe after the Danube and the Rhine. As part of the recognised long-distance EuroVelo 7 cycling route, this holiday makes for an unforgettable cross-border cycling adventure and ticks off some of the most magnificent cities in this region of Central Europe. Staying in carefully selected 3 and 4 star hotels on a bed and breakfast basis and with luggage transfers arranged from hotel to hotel, you can relax and enjoy the ride in the knowledge that we have taken care of everything for you.

Is this holiday for you?

This leisurely cycling holiday is designed to allow you plenty of time to delve into the wonderful sights and immerse yourself into the culture of each of the beautiful towns and cities you will travel through. Over five days of cycling you will cover an average of 50km a day and with a short 25km final day, you can pedal at your own pace and make as many sightseeing stops as you please as you journey along the beautiful Elbe Cycle Route. The terrain is predominantly flat, utilising quiet cycle routes or country lanes. Some sections in the cities will be on road shared with motor traffic. There are a few gradients to negotiate along the route, and there are some short sections on unpaved roads or tracks. There is also the option to upgrade your hire bike to an e-bike if you wish to have the extra pedal power on your way.

Staying at perfectly located 3* and 4* hotels and with luggage transfers taken care of for you, enjoy discovering Bohemia at your leisure.

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking or cycling holiday for your family, a centre-based trip is a fantastic option as it allows you to easily opt out of a day's walking if a day of building sand castles, swimming in the pool, or visiting museums is calling instead.

Please discuss this further with our Sales Team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

The trip starts in Prague and ends in Dresden. All of our self-guided holidays are sold on a Land Only basis allowing you the flexibility to choose the travel method which best suits you.

The nearest airport for this trip is Prague with many departures from regional UK airports. From Prague Airport there are numerous public transport options to the city centre which are regular and cost effective. You can also make use of the Airport Express bus which takes you to the main station in Prague, where you can take a tram or subway connection to your hotel.

From Dresden you can return to Prague by bus or by train, the journey takes around 3 hours.

It is also possible to travel flight-free from the UK by making use of the Eurostar to connect to the rail network in mainland Europe and the sleeper service to Prague. The seat61.com website is a useful resource for rail planning.

Meal Plan

This trip is arranged on a bed & breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Traditional Czech and Saxony cooking has been influenced by other nations for centuries, owing to its central location in Europe, but it still maintains its distinctive character. Popular hearty dishes include goulash, a meaty stew served with dumplings within an array of sauces; thick soups; roast meat or baked fish. Pasta is also common due to the influence of Italian cuisine. A traditional Bohemian platter might consist of roast meats such as pork or duck, sausage, smoked meats, along with cabbage (sauerkraut) and potato dumplings.

Those with a sweet tooth will definitely enjoy the delightful cakes and pastries available to fuel you on your way. Strudels, sweet filled pies and sweet buns can be commonly found in any café. For a Saxon speciality, we suggest sampling a slice of Eierschecke, a delicious bake consisting of a base of yeasted cake, layered with quark cheesecake and fluffy vanilla custard. Accompanied with a strong coffee, it will be all too easy to find an excuse for another cake stop.

As you will be visiting some of the best wine producing regions in the Czech Republic and Germany, you will have ample opportunity to sample the local produce on your holiday. Additionally, the region has a long history of brewing beer with pilsner lagers a popular drink, but craft and artisanal beers that hail from tiny breweries can also be experienced, incorporating more unusual ingredients such as honey, bananas or coffee.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

For this holiday you will stay at a selection of 3* hotels and guesthouses, carefully chosen for their ideal locations at the towns and cities you will visit as you journey along the River Elbe. At the end of your holiday you will stay at a 4* hotel in Dresden. All hotels offer comfortable ensuite bedrooms, bike storage facilities, and continental breakfasts. Rooms are on a double or twin basis, some with Austrian style twin beds (two beds within one bed frame and separate bedding).

Staying two nights in Prague at the start of your holiday, you will have plenty of time to explore this beautiful city. It is also possible to arrange additional nights accommodation in either Prague or Dresden if you would like to extend your stay. Please speak to one of our sales team for further details.

Bike Hire

The hybrid-style bikes provided for this trip have 21 gears and come in a unisex frame or a men's frame. We will reserve the appropriate size of bike for you based on your height.

Bikes come equipped with a pannier and a handlebar bag for your daily essentials plus lights, a bike lock, pump and repair kit. Your bike will be available to collect at your welcome meeting on Day 1 of your holiday.

You also have the option of upgrading to Premium bike hire on this trip for a supplement of £70. The Premium bike option provides a slightly sportier sitting posture and comes with upgraded items such as 30 gears, hydraulic disc brakes and a front suspension fork. This is a great option for those looking for a slightly comfier ride without upgrading to an e-bike.

We strongly recommend for you to bring your own helmet with you for the best comfort. We also recommend packing a gel seat for extra comfort or a pair of padded cycling shorts, whilst the cycling is leisurely and there are plenty of opportunities to stop and explore it is always nice to have some padding for a comfortable ride.

We can arrange children's bikes upon request. Please get in touch with our sales team for further information.

Upgrade to an E-bike

If you are looking for a bit of extra support whilst in the saddle, you can upgrade to an e-bike to make your ride even more leisurely.

Equipped with a battery and motor, these electric bikes give you a helping hand whilst you are pedalling, making it easier to climb hills, and travel further with less effort and more comfort.

E-bikes are available on this holiday at an additional supplement of £255. E-bikes come with 8-speed hub gears and coaster brake. Just request this upgrade option with our sales team at the time of booking.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your bike. We ask that you please ensure your luggage is limited 20kg per piece and that your luggage is ready for collection each morning.

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and Support team of any severe allergies you may have before travel. The currency for part or all of this holiday is the Euro.

The unit of currency in the Czech Republic is the Czech Koruna (CZK).

Preparing for your Holiday

The advantage of a self-guided cycling holiday is that you decide the pace. This trip is designed for leisure cyclists and does not require you to be in peak fitness. Having said this it is always sensible to get some additional exercise before going on an active holiday. After all, the fitter you are the more enjoyable your cycling will be. You should be comfortable with cycling an average of 50 km a day on easy cycle paths or quiet roads and we advise you to dust off your bike and head out on a few rides before your holiday.

Climate

This Central European region has a warm and temperate climate. In April and September the daytime temperatures are cool, around 10-15 degrees C on average. In the summer months the daytime temperatures average between 16-18 degrees C. Rainfall can be experienced at any time of the year.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
