Food & Water

Water is drinkable from the taps on this holiday. Please fill your personal bottles for your day in the morning. We do not encourage the purchasing of single use plastic bottles.

Arriving in Logrono you can expect a fantastic array of culinary delights with tapas bar after tapas bar each serving a different speciality. And of course with starting your journey in La Rioja you can be certain to find some of the best in Spanish wines to accompany each dish.

Crossing the border into Castilla y Leon, the largest region of Spain, the cuisine in this region is much different to the coastal regions of Spain with less fish based dishes and more stews often featuring chickpeas or morcilla (a type of blood sausage). The real speciality of this region is its Cochinillo Asado (suckling pig) or Cordero Asado (suckling lamb), for meat eaters this is a must! Simply cooked and full of flavour you are sure to enjoy this treat after a day of walking.

Bread in this region is fantastic and was often a communal affair in the villages where communities gathered to use the communal oven. We recommend visiting the local bakery for your picnic supplies so that you can enjoy a taste of this long standing staple with a view.

Accommodation

On this trip you will stay in a selection of comfortable guesthouses and hotels each offering warm hospitality and close proximity to your route. Each hotel brings its own charm whether it's a small family run guesthouse offering beautiful gardens to relax or a 3* hotel close to the many restaurants.

It is possible to arrange additional nights accommodation if you would like to extend your time in Logrono or Leon. Please speak to our sales team for more information.

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 6-7 hours for consecutive days with some occasionally longer days.

Climate

This region of Spain enjoys a warm Mediterranean climate with cold winters and some frosty days and hot summer months where temperatures can reach up to 30 degrees.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that prior to travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates direct from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
