Introduction

From the wild west to the tranquil east, experience deserted coastal paths along Portugal's enthralling Algarve coast. Witness surfers catching the swell in the waters off laid-back Sagres, stand in awe at nature's artwork at Ponta da Piedade where rock formations stand proud out of the Atlantic to the soundtrack of crashing waves, and take a dip at secluded beaches. This is a holiday to fuel your senses, from the smell of the salty sea air, to the sight of rocks changing colour in the sun, or the taste of freshly caught seafood at the local restaurants.

Your walks will take you along quiet clifftop paths, through the Ria Formosa National Park that teems with birdlife, and along golden beaches to the pretty, traditional villages of Figuera and Fuseta, and to the bustling resorts of Albufeira and Tavira. This trip has been designed so that you can experience everything this fantastic region has to offer, and staying in 4-star hotels with swimming pools each night means you can unwind at the end of every day with all your creature comforts, whether that be with a good book by the pool, or with a glass Vinho Verde in the bar. After all, this is your holiday!

Is this holiday for you?

This superb self-guided holiday is all about enjoying the popular Algarve through new eyes, on foot, at your own pace. Staying in a selection of fantastic 4-star hotels with pools makes for the perfect environment in which to relax after a day of hiking, as well as allowing you to enjoy the many restaurants and facilities of popular tourist resorts. Your walks will take you on well-established coastal paths, rocky trails, and elevated cliff paths, walking for 4-5 hours and with no more than around 500m of ascent in a day. Your Self-Guided Pack & Route Notes

Each self-guided holiday comes with comprehensive route notes and a map or pocket guidebook of the area you are exploring. The route notes contain information about the places you will visit and the local transport you might need, along with the detailed route notes for your daily walks or cycle rides. We even include some tips for the best places to stop for lunch.

You can expect to receive your Self-Guided Pack containing your route notes, a map or guidebook, and all your relevant documents, no later than 3 weeks before your holiday start-date. We will send your documents using a signed-for courier so that you can track your package and know that it is safely on its way to you. For bookings of more than 4 people we will send an additional Self-Guided Pack. If you do not need this additional pack please inform our Sales Team. Your pack will be sent to the lead booker, so please remind them to pack it before setting off.

Should your self-guided trip be part of a longer adventure requiring you to leave home more than three weeks before your holiday start-date, please inform our Sales Team so that we can make alternative delivery arrangements.

GPS Travel App

This holiday includes a GPS navigation app, which contains the routes for you to follow each day, as well as attractions, coffee stops and points of interest along the way. The app does not need to have Wi-Fi connection to work, you simply follow the instructions we provide you to download the app to your personal smartphone device before you leave home and you are ready to go.

While the travel app is running, your phone battery charge can be consumed faster than normal, so we strongly recommend that you pack a power bank with you just in case you require it.

Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Joining Arrangements & Transfers

Your trip starts at your hotel in Lagos. All of our self-guided holidays are sold on a Land Only basis, allowing you the flexibility to choose the travel method that best suits you. The nearest airport for this trip is Faro Airport, served by many departures from UK regional airports.

If you are flying to Faro Airport you can travel via public transport to Lagos - the journey takes approximately 2 hours. From the airport, take the shuttle bus to Faro Train Station from where you can take the train to Lagos.

Alternatively, it is possible to arrange a private transfer - please ask our Sales Team for more information.

Your trip ends in Tavira, from where you can take the bus or train to Faro Airport - the journey takes approximately 1-2 hours and requires one change along the way.

Alternatively, you can take a taxi from Tavira to Faro Airport for approximately 40 Euros - the journey takes approximately 30 minutes.

We can also arrange additional nights' accommodation before or after your self-guided trip, or you may even wish to make this trip part of a bigger trip of your own, or pair it with one of our other holidays - just ask our Sales Team for details.

Meal Plan

This trip is on a bed and breakfast basis to allow you the most flexibility during your holiday.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

The Portuguese are passionate about food. It is a reason for celebration, time with family, and socialising with friends - and evening meals are typically enjoyed late into the evening with a glass of wine. One of Portugal's national obsessions is *Bacalhau*, a dried salted cod which features heavily on menus alongside other delicious seafood as, after all, Portugal has almost 1,800km of coastline. It is not all about amazing local seafood though, as Portuguese cuisine is centred on simple, fresh, flavourful cooking and includes many meaty stews such as *Cozido a Portuguesa*, which contains a variety of cooked meats, sausages, and vegetables cooked together slowly in a rich broth and usually served with rice and accompanied by one of the country's fantastic wines.

And it's not just savoury dishes and wine the Portuguese are passionate about. The *pastel da nata* is not only a dessert, it is a constitution and it is served in almost every cafe. These delicious custard filled pastries topped with cinnamon are at once flaky, creamy, and utterly delicious. Originally known as Pasteis de Belem, these moreish delights were created by the monks of the Mosteiro des Jeronimos monastery in Lisbon, where they have been made and sold since 1837.

Special Diets

Whilst we can cater for vegetarians, albeit sometimes with a more limited choice, we cannot always provide for special diets. Due to the nature of some of the trips that we operate and the countries in which we operate them, it can be very hard (and sometimes impossible) to cater for a wide range of dietary choices and you may have to supplement your meals with food/snacks from home. If you have specific dietary requirements please do speak to our sales team and they will be able to advise you whether or not we will be able to offer your specific choice. Please note that we are unable to provide separate menus and cannot accept liability for any problems arising from special dietary requirements or intolerances.

Accommodation

We have hand selected a great selection of 4* hotels for you on this trip, all selected for their great locations and hospitality. All of the hotels offer comfortable bedrooms, and great communal areas including a restaurant and bar area. The hotels all offer a great buffet breakfast to fuel you on your hikes and some also have a pool area for you to cool off after a day on the trails. Please note that this trip is offered with double/twin or single rooms.

It is possible to arrange additional nights accommodation in Lagos before your trip and Tavira at the end of your trip if you wish to extend your stay and enjoy the beaches this region is so popular for. Please refer to the dates and prices tab for further details or speak to one of our sales team.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out on your walk. We ask that you please ensure that each piece of your luggage is under 20KG and that your luggage is ready for collection in the morning on the day of each hotel change. You will also need a daypack to carry your daily essentials with you whilst you are walking.

General Information

Passport & Visas

The information that we provide is for UK passport holders.

A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

For other nationalities, please refer to your own Government website for the latest information.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel.

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 5 to 6 hours for consecutive days on sandy or rugged paths. The routes are along the coast, so a head for heights is recommended.

Climate

The Algarve enjoys a sunny microclimate with over 300 days of sunshine a year. Summers are dry and hot, but the south-western tip of the continent enjoys a mild climate all year round thanks to the influence of the ocean.

Spring (April to June) and Autumn (September and early October) are delightful, but a little rain is possible with day time temperatures between 16-22 degree Celsius, with matching sea temperatures. Temperatures tend to be a little warmer in the Autumn than in the Spring though spring is an excellent time of year to enjoy spring flowers.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's 'Travel Aware' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
