Self-Guided Families

Our Self-Guided Holidays are perfect for your next family holiday and are suitable for children of all ages.

Our partner hotels and accommodations are able to provide cots for young children, and some offer family rooms. We can also arrange hire of children's bikes and tag along bikes for most of our self-guided cycling trips and with trips such as Lake Constance and the Danube offering routes on designated cycle paths you can rest assured in keeping your family safe.

As a parent we trust that you know your own child's capabilities, so please read the itinerary details to ensure the distances covered each day are suitable for your family. If this is a first time walking holiday for your family, a centre based trip is a fantastic option as it allows you to easily opt out of a days walking if a day of building sand castles, swimming in the pool or visiting museums is calling instead.

Please discuss this further with our sales team who will be happy to assist in picking the best trip for your family.

Food & Water

Water from the taps is perfectly drinkable on this holiday - please use this to fill your personal bottles for your daily activities. We do not encourage the purchase of single-use plastic bottles.

Cuisine in the Canaries filled with tradition and fresh local produce, with recipes being handed down through generations. It is these traditions which have formed the delicious mix of cuisine which blends its Spanish roots with African and South American influences. A staple on any menu is the tasty Papas Arrugadas; small locally grown potatoes which are boiled in extremely salty water giving the skins a somewhat wrinkly appearance served with the traditional Mojo sauce (and every restaurant claims to have its own secret recipe). As you would expect from an island, seafood features heavily in the Canarian diet, from Puntillas de Calamar (fried baby squid) to Pescado a la Plancha (fish of the day simply grilled and incredibly tasty).

Accommodation

We have hand selected a great selection of 3* and 4* hotels for you on this trip, all selected for their fantastic locations and warm hospitality. All of the hotels offer comfortable bedrooms, and great communal areas including a restaurant and bar area. The hotels all offer a great buffet breakfast to fuel you on your hikes and some also have a pool area for you to cool off after a day on the trails.

It is possible to arrange additional nights accommodation in Garachico or Vilaflor before or after your trip if you would prefer to explore this fabulous island a little more. Please speak to one of our sales team.

Baggage Allowance

Your main luggage will be transferred between each of your hotels while you are out walking. We ask that you please ensure that each piece of your luggage is under 20KG and that your luggage is ready for collection in the morning on the day of each hotel change. You will also need a daypack to carry your daily essentials with you whilst you are walking.

General Information

Passport & Visas

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

It is your responsibility to ensure that you have the correct travel documents and visas for your holiday. Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

Health & Vaccinations

Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

Severe Allergies

Please inform our KE Sales and support team of any severe allergies you may have before travel. We will always do our best to help but we are unable to guarantee an allergy free environment on our KE trips. We advise that you always carry your own treatment for the allergy with you such as 'adrenaline auto-injectors' if required. We also recommend that you discuss this with your accommodation on arrival so that they can better assist you.

Currency

The currency for part or all of this holiday is the Euro.

Preparing for your Holiday

The advantage of a self-guided walking holiday is that you decide the pace however, getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable your walks will be. You should be comfortable with walking 5 to 6 hours for consecutive days on rugged paths. Some of the routes are along the coast and require a head for heights and some surefootedness (please see detailed itinerary).

Climate

The islands of the Canaries are a year-round holiday destination with what is often described as eternal spring conditions with temperatures ranging between 16 in the winter to 25 in the summer.

Tenerife has its own micro-climate with the South of the island being dry, whilst the North has an abundance of lush vegetation, rich flora and beautiful forest. Tenerife is the most varied of the Canary Islands with five different climate zones - desert, scrub, pine, laurel and dragon. On this trip you can look forward to experiencing these contrasts as you begin in the north of the island and make your way south throughout the week.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travellaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.
