## Introduction

Croatia's Dalmatian Coast is home to an incredible coastline, dramatic national parks, towering peaks, medieval towns, mount-watering food, cascading waterfalls and wonderful hospitality. This lovely walking holiday to Croatia includes some of Europe's most spectacular trails, including a part of the spectacular Via Dinarica long-distance footpath which snakes through the Balkans. From the Croatian capital of Zagreb, with its bustling market, colourful old centre and stunning cathedral, we head first to the UNESCO World Heritage Site of Plitvice Lakes. Here we'll discover an abundance of beautiful cascading waterfalls and stunning lakes. The undiscovered Velebit Mountains and breath-taking Paklenica National Park offer jaw-dropping scenery, off the beaten track trails and a visit to a welcoming homestay. Wherever we go on this holiday, we'll be surrounded by dramatic views of the coast and the stunning archipelago of offshore islands. In the charming coastal towns of Zadar and Split we can enjoy Croatia's famed café culture, amazing restaurants, stunning promenades and beautiful medieval architecture. This provides the perfect contrast to our adventure in the dramatic mountains.

### Is this holiday for you?

This holiday takes you along excellent walking trails with views of the superb Adriatic Coast and there is enough walking each day to keep regular hikers happy. Walking days are usually between 4 and 5 hours on trails which range from grassy paths and forest woodland to alpine paths in the mountains. On some days we encounter sections of the Via Dinarica, the new long distance walking trail that links the countries of the Balkans. On Day 4 we stay in the heart of Paklenica away from any roads. On this day's relatively short hike we'll carry what we need for 1 night but as all bedding is supplied, there is no need for heavy backpacking. Staying in the homestay gives us the opportunity to experience an unspoilt location and home cooked food. There are a couple of long drives (max 2 hours) as this holiday includes a number of the country's highlights and most spectacular national parks. Relaxed evenings are spent in charming towns as this holiday gives a wonderful insight into a lesser known region of Croatia.

## Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Croatia has a fantastic variety of food due to the rich influence of the Mediterranean and Central Europe, which means that there is something for everyone's tastes. Breakfasts are continental in style with bread, cheese, meats, jams, tea and coffee etc. Due to its close proximity to Italy there are few towns on the coast without a pizzeria, which are always simple, reasonably priced and excellent. Whilst on the coast fresh seafood is extremely popular and shouldn't be missed.

Croatians enjoy fresh vegetables and side salads with dinner, alongside turkey, pork, chicken or fish. Cevapcici are very thin sausages, or kebabs, made from minced meat and a popular local dish. There is also plenty of good choices for vegetarians with Italian risottos, gnocchi and pastas on menus. Alongside the excellent food, Croatian wine is fantastic and very reasonably priced. Good quality wines are available by the glass and generally Croatians order wine by the glass, half litre or litre. After dinner digestives are extremely popular and worth a try, ranging from the warming and delicious honey, walnut and blackberry brandies to the fiery pear, herb and plum schnapps!

## Accommodation

Accommodation on this holiday is in a variety of comfortable hotels and local guesthouses with 1 night in a simple homestay on a dormitory basis.

If you are travelling by yourself, you will be paired up with another single client of the same sex (except for the 1 night which is in a dormitory). Single rooms for the 6 nights are available for a supplementary cost. If you are planning on extending your holiday additional nights at the group hotel are available on request.

## Group Leader & Support Staff

The group will be led by a professional and qualified tour leader.

## Spending Money

Approximately 250 Euros should be sufficient to cover all non included meals and reasonable personal expenses. ATM's are readily available in the towns of Zagreb, Zadar and Split plus on arrival at Zagreb Airport.

## Group Size & Holiday Status

For each holiday there is a minimum number of participants required to enable it to go ahead. Once the minimum number is reached, the trip status will change from 'Available' to 'Guaranteed to run'. You can check the trip status for each departure in the 'Dates and Prices' table. Other than in exceptional circumstances, we will not cancel a trip once it has achieved this guaranteed to run status so you are free to proceed with your international flight booking and other travel arrangements.

# General Information

## Passport & Visas

### Europe

Your passport must meet 2 requirements. It must be:

- less than 10 years old on the day you enter (check the 'date of issue')
- valid for at least 3 months after the day you plan to leave (check the 'expiry date')

For the latest details on visiting countries within the EU or the European Economic Area (EEA), please check the UK Government website

The information that we provide is for UK passport holders. A passport with 6 months remaining validity at the end of your stay is generally required, and you should have at least 2 blank pages for each country that you visit.

**It is your responsibility to ensure that you have the correct travel documents and visas for your holiday.** Please ensure that you check for the latest advice before travel. For the most up to date information on entry requirements, please visit the [UK Government website](#).

## Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

## Vaccinations

You should contact your doctor or travel clinic to check whether you require any specific vaccinations.

## GHIC / Medical cover

UK residents should carry a free Global Health Insurance Card (GHIC). This entitles you to state provided medical treatment when you're visiting an EU country or Switzerland. This is not a substitute for medical travel insurance which is vital when travelling overseas.

## Currency

The unit of currency in Croatia is the Euro.

## Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at [travelaware.campaign.gov.uk](http://travelaware.campaign.gov.uk) and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: [www.travel.state.gov](http://www.travel.state.gov) for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

## Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

## Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.

## Explore International

This holiday is part of our Explore International range. Participants on these trips can book through KE or through one of our international partners. This helps us to gather together sufficient numbers of like-minded adventurers to get your holiday up and running quickly. Led by an English-speaking guide, the cosmopolitan nature of these groups can be an important part of the experience!
