Introduction

This outstanding series of day walks in the Drakensberg and on the Wild Coast in South Africa is a true gem. Having sought out these splendid walks we have combined them with comfortable accommodation to ensure that this walking holiday ticks all the boxes for a delightful time away. Our first stop is the Golden Gate National Park where we have a sunset walk on Brandwag Rock and take the Echo Falls Trail. Moving on to the stunning and rightfully famous, Drakensberg Mountains, we walk in the Tugela Gorge, see the Amphitheatre, and the region surrounding Cathedral Peak with its carved sandstone buttresses. The landscapes are rugged, with natural pools and glowing rocks as the sun lights them up. Our holiday ends on the Wild Coast where we have 3 nights in a lodge and enjoy some day walks in this lesser known part of the country. The well named, Wild Coast has untouched white sandy beaches, cliffs and crashing waves - making the coastal path a stunner! Our journey ends in Durban after a fabulous walking holiday in this part of South Africa.

Is this holiday for you?

The essence of the holiday is to enjoy the walks and the wine, as well as the culture and food of South Africa. The trails that we follow are undulating or reasonably flat - except of course Table Mountain. They are well-marked and sometimes stony. Our accommodation has been handpicked to ensure comfort in small, well-appointed hotels and guesthouses. South Africa has a lovely Mediterranean climate and because of the time zone jet lag is not usually a problem flying from the UK.

Joining Arrangements & Transfers

TRAVEL TO YOUR DESTINATION

If flying from the UK there are low cost airlines available to the start and from the end of your holiday.

To benefit from full financial protection, ease your holiday planning, and avoid dealing with airlines, we can book scheduled flights from the UK as part of a flight inclusive package. Scheduled flights are usually more expensive than low cost alternatives, however potentially less stressful if your flight is cancelled or delayed. If you book flights through KE Adventure Travel we will offset the carbon of your flight.

The group will meet at Johannesburg Airport.

A single timed transfer (5hrs) from the airport to the Drakensberg is included. You need to arrive into Johannesburg Airport at the latest time of 1130.

On the last day of the Land Only itinerary, we have a single timed transfer to Durban Airport for flights leaving in the early evening. Check out from the hotel is 10am, but you will be able to keep your luggage at the hotel and enjoy the beach and town before your flight.

Anyone may join the group transfers by prior arrangement. Private arrival transfers are expensive due to the distances. A money saving tip might be to arrive the day before. Additional nights at an airport hotel are available. On the return, Durban Airport is not far from the hotel, so private transfers are available on request for different flight times.

Hotel contact details and an emergency number will be provided with your booking confirmation.

Meal Plan

All meals are included except for 5 lunches (including the lunch on day 1) and 1 dinner. The lunches can either be purchased in a picnic style from the accommodation or in a local cafe/restaurant. The dinner not included will be taken in a local restaurant.

Food & Water

Water from the taps may not be drinkable in all locations on this trip - please check with your guide. We recommend taking water purification tablets and a reusable bottle with a filter such as [Water-to-Go](#), which can both be used to help make safe other water sources. Please note that we do not encourage the purchase of single use plastic bottles.

Group Leader & Support Staff

The group will be led by a professional and qualified tour leader. Additionally there is a driver for the vehicle. When at the coast you will also have a local leader for the walks.

Spending Money

Approximately £250 per person (or equivalent in US dollars or Euros) should be allowed for tips, soft drinks, snacks, non-included meals and miscellaneous expenses. Alcoholic drinks, souvenirs and optional activities are additional so you may wish to budget for these.

You can choose to take your money in pounds sterling, dollars or euros. There will be the opportunity to change money into local currency on arrival at the airport and your local leader will advise the best places to change money en-route. Additionally, you will be able to get currency from bank ATMs in the towns that we will visit. Credit cards are useful and it is a good idea to carry one in case of emergency.

Guidance on Tipping

Tipping is the accepted way of saying 'thank you' to your leader and local team. Tipping is entirely voluntary and should be dependent on good service. We recommend that you decide levels of tipping and give any tips as a group rather than from individual group members.

Baggage Allowance

For this holiday you should take one piece of luggage and a daypack. Please keep the weight of your main luggage to 20kg or less. You should bring a soft bag, as these are more suitable to pack in the vehicle. For international flights please check your baggage allowance with your airline.

South Africa Indemnity Form

As a member of the South African Tourism Service Association, our ground agent in South Africa may require you to complete an indemnity form at the start of your holiday, which you will need your insurance details for. As a client of KE Adventure Travel, your rights under the Package Travel and Linked Travel Arrangement Regulations (2018) are unaffected and KE Adventure Travel will remain liable for the actions of our suppliers.

General Information

Passport & Visas

Visa South Africa

UK and USA passport holders do not require a visa for short stays. You must have 2 blank pages in your passport.

Rules on **travelling with children under 18 years** have been relaxed. Visa exempt children entering South Africa only need passports, and not birth certificates as previously required. This applies if the child is travelling with both parents, one parent or an adult who is not a biological parent, and school groups. There are some different requirements for unaccompanied children, and children who do not have UK passports or visa exempt passports. For full details please see the FCDO website.

Health & Vaccinations

If you have a severe allergy please inform the KE office before you travel. We will do all we can to help, but we cannot guarantee an allergy free environment on KE trips. You will need to carry your own treatment for the allergy with you, as 'adrenaline auto-injectors' are not carried as standard by KE leaders and staff. You should inform your leader on arrival of your allergy, and let them know where you keep your adrenaline pen.

Preparing for your Holiday

Getting some additional exercise before coming on an active holiday makes a lot of sense. The fitter you are, after all, the more enjoyable you will find the experience.

Climate

South Africa has a generally sunny and pleasant climate, with regional differences due to the weather systems from the surrounding oceans and altitude above sea level. This area experiences most of its rainfall in the southern hemisphere summer, from October to March. From May through to August is drier, with long spells of mild, stable weather. However, cold fronts moving in from the south-west can bring rain and even snow-fall to the Drakensberg Mountains. Daytime temperatures range from around 10 - 20°C from April to September, to 20 - 30°C from October to March.

Travel Aware

As a reputable tour operator, KE supports the British Foreign, Commonwealth and Development Office's '[Travel Aware](#)' campaign to enable British citizens to prepare for their journeys overseas. The 'Travel Aware' website provides a single, authoritative source of advice for all kinds of travellers and we recommend that before travel, all KE clients visit the official UK Government website at travelaware.campaign.gov.uk and read the FCDO Travel Advice for their chosen destination. North Americans can also check out the U.S. Department of State website: www.travel.state.gov for essential travel advice and tips.

KE treat the safety and security of all clients as the most important aspect of any trip we organise. We would not run any trip that we did not consider reasonably safe. Should the FCDO advise against travel for any reason, we will contact everyone booked to travel to discuss the situation. We receive regular updates directly from the FCDO and are in constant touch with our contacts on the ground. If you have any questions about government travel advice, please call our office.

Single Use Plastic

KE do not encourage the use of single use plastic items. We are ensuring that our agents all over the world are working together to reduce the problem and educate those around them. We are leading by example in our KE office by reducing our plastic use.

Travel Insurance

It is an essential condition of joining a holiday with KE Adventure Travel that you have a valid travel insurance policy to cover the cost of medical treatment and to protect the value of your holiday in the event of cancellation. When taking out insurance please ensure the policy you choose covers you for the activities and altitude included in your itinerary.

For appropriate insurance cover we recommend Campbell Irvine Direct. Please go to our [Travel Insurance](#) page for further information and to get a quote.
