Some further advice for completing the application:

In part 4 (c), particularly the line: "financial means at applicant's disposal please indicate amount"

Please enter the following: "personal funds" but also state an amount. It is suggested that you put an amount that is equivalent to £400 per week per person, so £800 will suffice for the approximate duration of this trip.

NOTE: This is to satisfy the Ghanaian High Commission that you have these funds at your disposal during the trip, it does not mean you need to carry this cash with you at all times, for obvious safety reasons.
